Hi Will and Josh – see attached –

This version doesn't include Will's comments (I saw that markup after I'd already inserted my comments), but our comments don't seem to overlap -

Doug— I just had couple edits/suggestions on the factsheet – let me know if you have any and I'll get it back to Josh. They are looking for this by COB Wed but it should only take a minute to review when you have a spare moment.
Thanks,
Will
